

Best Donors of Ramadan 2017

Alhamdulillah, since Northside Masjid is opened, there was an abundance of enthusiasm, hope and dua'as that we, by the grace of Allah (SWT), were able to raise more than set goal. Many of community members opened their hearts and gave more than expected or what they can afford. Many young, financially restricted students made donations. Even small children were not left behind and they kept donated from their own pocket money or personal savings from 25 cents to thousands of dollars.

We have only read in Islamic history that women used to offer their precious jewelry for Islamic causes. On this night 29th night of Ramadan, many of our sisters did just this and donated their personal jewelry. How could one even imagine the sacrifice, commitment, emotions and contribution – These were simply priceless moments! Thanks a Million

We would like to take this opportunity to thank everyone who made this fund-raising a memorable and successful event. We first thank Allah and then our generous donors for their continuous financial support
